E C# G#m
Trust the Lord with all your heart
Lean not on your own understanding
In all your ways acknowledge Him
And He will make your paths straight
Will make your paths straight

E C#
I acknowledge You're my savior, Jesus.
I acknowledge You're my Lord
I trust You with my shovel
Knee deep in manure.

E C# G#m
Do not resent His rebuke.
What He knows divides the deep
Divides the deep
He put the stars in their place
Laid the ground on which we stand
On which we stand

E C#
I acknowledge that You're wholly other
I acknowledge You as king
I trust You eating gravel
And I will remain faithful.
